

Requirements Detailed Report

This report displays all of the requirements defined for the current project in the order they appear in the requirements list. The requirement's details and coverage status are displayed, along with sub-tables containing the list of covering test cases, linked incidents/requirements, attached documents, associated tasks, linked artifacts and the change history

Project675:S3774122

RQ:11661-Test scenario 1 - Sign in

Scenario 1 - Sign in

Start: Initialise browser driver

Step 1: Open Automation Practice page

Step 2: Click 'Sign in' button

Step 3: Sign in with missing credentials

Step 4: Sign in with wrong email format

Step 5: Sign in with correct credentials and format

Final step: Close browser

Test Case Detailed Report

This report displays all of the test cases defined for the current project in the order they appear in the test case list. The test case's details and execution status are displayed, along with sub-tables containing the list of test steps, test runs, attached documents, the change history, and a list of any associated open incidents
